NOTES ON CONCESSIONALLY REGISTERED VEHICLES UNDER CODE 404

Vehicles over 25 years old and in original condition, including in a restored original condition, may be licensed under "Concessional License Code 404" provisions through the Department of Transport, WA. This process requires that there be an Initial inspection of a newly retored vehicle, or of a vehicle transferring from a full license. The vehicle must be inspected by an Authorised Inspection Station (AIS) using an Authorised Vehicle Examiner (AVE).

While the club committee at AROCA WA understands that a number of members in various car clubs in WA do hold AVE status, AROCA WA generally makes use of an AVE who is resident at the WA Automotive Museum in Whiteman Park.

Before seeking approval for concessional vehicle registration, please download and review the Department of Transport's "Concessional Licence Code 404 Information Booklet". There you will find definitive wording regarding Code 404 in Western Australia.

Following the completion of initial licensing, members should advise the membership secretary of AROCA WA in writing to provide updated vehicle details and registration. For further information on WA Concessional Licences, see [FAQ on the Department of Transport website](#).

Do note that your failure to comply with this new CODE 404 requirement could result in possible loss of your concessional vehicle license and/or club membership.

AROCA WA's new "DRIVE MY CAR" program:

On the next page a "DRIVE MY CAR" registration form is provided for your completion and forwarding to the AROCA WA club secretary. (**Email to:** secretaryarocawa1@gmail.com).

Provided you carry your vehicle license with you in your vehicle, this "Drive My Car" logging system permits travel to approved single vehicle events for currently financial AROCA WA members in their concessionaly registered vehicles under Code 404. The new AROCA WA club logging system is purposely provided just to permit the owners of vehicles that are concessionaly registered under CODE 404, to legally drive that vehicle in a "single vehicle event" (e.g. to a wedding, a picnic, a country drive, etc.) Therefore, a few days prior to undertaking any single vehicle trip in your concessionaly licensed vehicle, be sure to complete and email the form on the following page to AROCA WA, where this trip will be formally logged by the club.

Suggestion: Once you have sent the completed form to the AROCA WA club secretary, print a copy of the filled-in form and to keep with you during your trip.
